

Oynar başlık opsiyoneldir  
Tilting saddle is optional

- › 30-1.100 tona kadar kilit somunlu silindirler
- › 50-300 mm arası stroke seçeneği
- › Spesifik uygulamalar için özel imalat imkanı
- › Tek etkili, yük dönüşlü standart hidrolik sistem
- › Stroke aşım valfi ile üst düzey iş güvenliği
- › Vidalı piston ile uzun süre yük altında bekleme
- › Endüstriyel ağır işlere dayanıklı sağlam yapı
- › 2 yıl garantili, Türkiye'de yedek parça ve servis
- › Lock-nut hydraulic cylinders from 50 to 1.100 tons
- › 50-300 mm stroke options for various applications
- › Custom manufacturing for specific applications
- › Single-acting, load-return standard hydraulic system
- › Hydraulic "end of stroke" overflow port for security
- › Lock nut (screw piston) holds the load mechanically
- › Robust construction resistant to heavy industrial work
- › 2 year warranty, spare parts and service in Turkey

### Tamamlayıcı Ekipmanlar / Complementary Equipment

El Pompaları / Hand Pumps

Güç Üniteleri / Power Packs

700 Bar Hortumlar / Hoses

Manometreler / Gauges

Kaplinler / Quick Couplings
